MIRAMAR

GROWING
CONFIDENT LEARNERS

WELCOME TO KIDZ CORNER MIRAMAR

Kidz Corner Miramar provides high quality early childhood education and care in the context of Christian ministry which supports families and their communities.

The centre provides an environment where Christian beliefs and values are incorporated into daily experiences and conversations, and reflects New Zealand's bi-cultural heritage and our multi-cultural community.

Our teaching team builds relationships with parents that foster a sharing of information about their child and their child's learning. The programme reflects the routines and customs of home, supports the interest of the child and reflects the Christian values and cultural diversity of the community.

Our curriculum is planned so that it focusses on the children learning through free play both independently and alongside their peers and teachers. Teachers aim to support and challenge each child's learning by providing a rich array of activities and learning experiences which reflect the child's interest and encourages the child to be a self motivated learner creating the foundation for a lifelong learner. Our goal is that children are healthy in mind, body and spirit, secure in a sense of belonging and inspired by knowing their contribution in society is valued (Te Whariki, 1996).

Kidz Corner staff encourage the continuity of education and care right through to the school years. We recommend that children attend only one childcare facility.

20 HOURS ECE

We offer 20 Hours ECE for 3 and 4 year olds.

Kidz Corner Miramar is operated by a charitable trust consisting of parents and community members.

Kidz Corner is licensed with the Ministry of Education to provide care and education for 40 children. A copy of our most recent ERO report is available from the centre or on our website.
